I be Centured :- The routine Correspondence shows that the fundamental principle of the Act that all Members of the Board have been consulted - In these circumstances there is no necessity for anyone else further as suggested above. If there is a defaulter Government may of course call upon him from his pay in short instalments some money towards the principal at least instead of writing off the whole. I am aware that this procedure is opposed to the general principle that the right of Government against one man being as a person cannot or ought not to affect the right of Government against the same being under a different capacity. If this cannot be done there is no help but to write the amount off.

4 It would be very inconvenient to proceed against property in Br India & we may have spend more in litigation than we can hope to get from the property. The debtor is understood to be a Shekdar but it is doubtful if it will be worth while to force him to attach a portion of his pay. Larger amounts

about 5 or 10 rupees

Requesting that a balance of Rs. 1290-13-8 due from Sivaji Ramachandra - an indebted member of the late Chikmagalur Agricultural Bank - may be written off the accounts as he has very little property left for the recovery of the balance.

Office of the Deputy Commissioner,

Kadur District,

Dated, Chikmagalur, the 6th July 1910.

From

K.R.Srinivasa Iyengar, Esquire, M.A.,

Deputy Commissioner,

Kadur District.

To

C.S.Balasundaram Iyer, Esquire, B.A.,

Offg: Secretary to the Government of Mysore,

General and Revenue Departments.

Sir,

Adverting to Government order No. Fl. 5209-10 / B.8-09-21 dated 20th April 1910 stating that before passing final orders directing the closing of the account of Sivaji Ramachandra - an indebted member of the late Chikmagalur Agricultural Bank- a further report from here will be awaited, I have the honor to state that from the enquiries made here I understand that the member has no more properties in the Mysore Province to be proceeded against for the balance of Rs. 1290-13-8 still due from him. A coffee land Sur. No. 78 measuring only 2A-5G and assessed at Rs. 2/- in the Jakkanhally Village of the Chikmaglur Taluk stands in his Khate. This had not been hypothecated to the Bank. Sivaji Ramachandra is learnt to have disposed of it about the year 1905 for a consideration of Rs. 25/- to one Krishnappa, Shanbhog of Anur who has since sold it to a third person for Rs.35/-. The sale deed executed by Krishnappa in favor of the latter is found to have been registered in the Chikmagalur Sub Registry Office, so that Sivaji Ramachndra has now no saleable interest in the land.

2. Sivaji Ramachndra ( who is a Shekdar in this District) being examined as to his other properties has stated that the only property he has is a farm worth about Rs. 200/- in his native place Battikoppa in the Dharwar District. This is said to be a Jodi land now standing in the name of his brother's son. Barring this, he says

he has no other properties anywhere and he pleads his inability to pay the balance of the debt and begs that it may be ordered to be written off his accounts.

3. As the member has very little property left for the recovery of the balance of loan due from him and as even this little is situated in British India where it cannot be proceeded against for the amount due to Mysore Government, I beg to request that the Government may be pleased to order the balance of Rs. 1290-13-8 due from Sivaji Ramachndra to be written off his his accounts.

I have the honor to be,

Sir,

Your most obedient servant,

S. Chamaraja

Deputy Commissioner,

Kadur District.
